

Sledovanitv.cz App on Samsung TV in Luka Living – activation guide

For online viewing of the TV it is necessary to follow these steps:

- **Samsung account registration**
- **Sign in to sledovanitv.cz**
- **Payment for sledovanitv.cz service using a promo voucher**
- **Downloading and activation of the sledovanitv.cz app in your smart TV**

Samsung account registration

After turning the TV on, select your language to start setup. Use the Up and Down button to change the language, confirm by pressing OK.

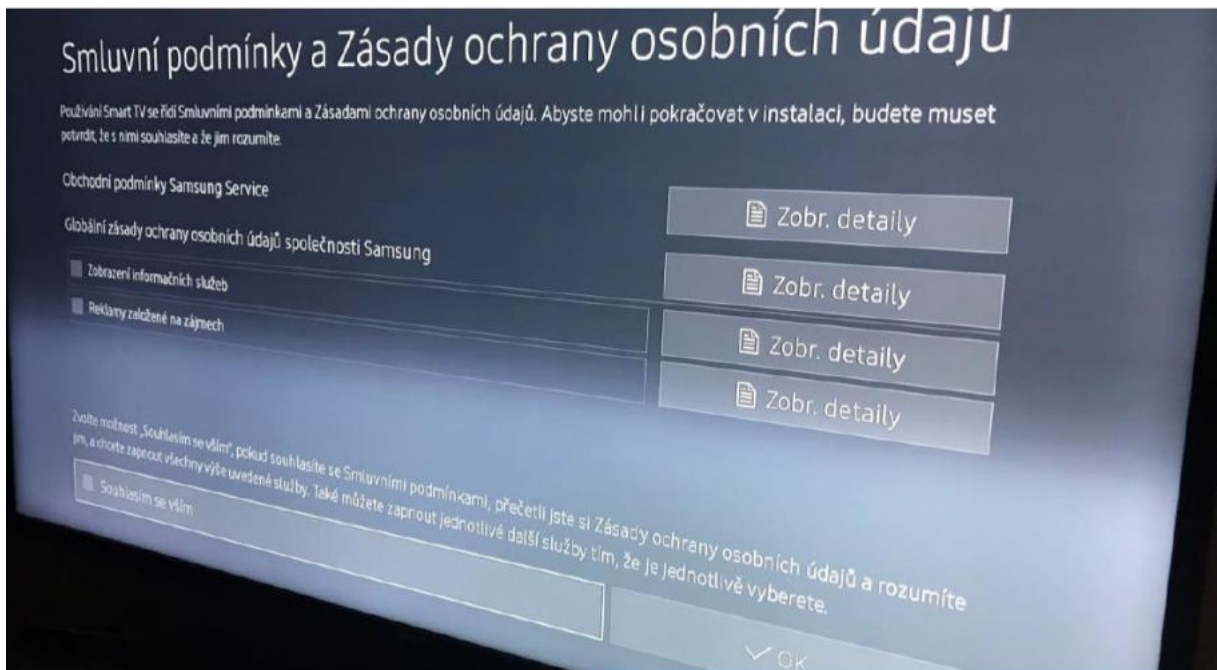

The TV is connected to the Internet via cable, an information screen appears.

If the TV does not connect to internet automatically by cable, you will be prompted to connect to WiFi. In this case, contact the building maintenance to check the connection.

Agree to the terms of processing personal information and data and press OK.

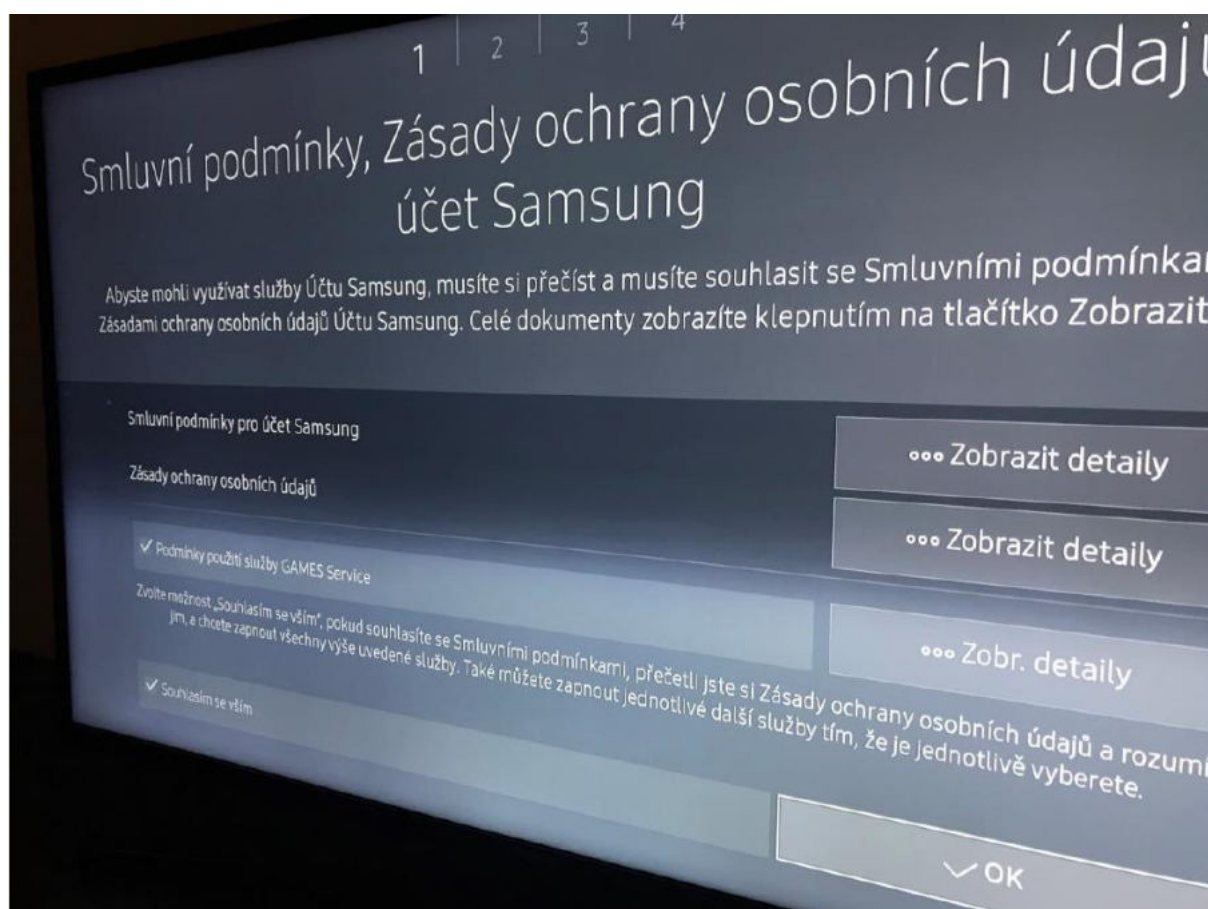

Log in if you already have a Samsung account, otherwise continue by creating a new account (Sign in).

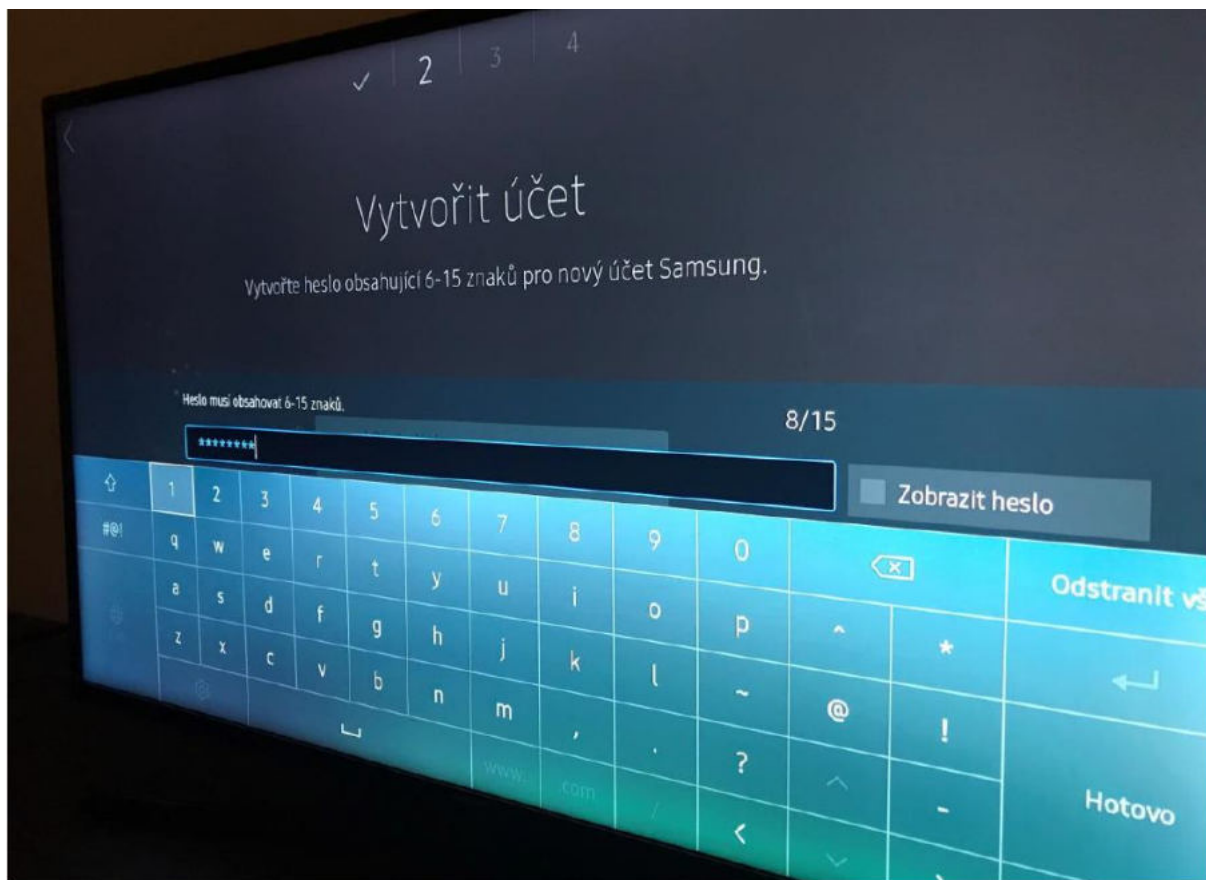

Confirm that you are over 18 years old.

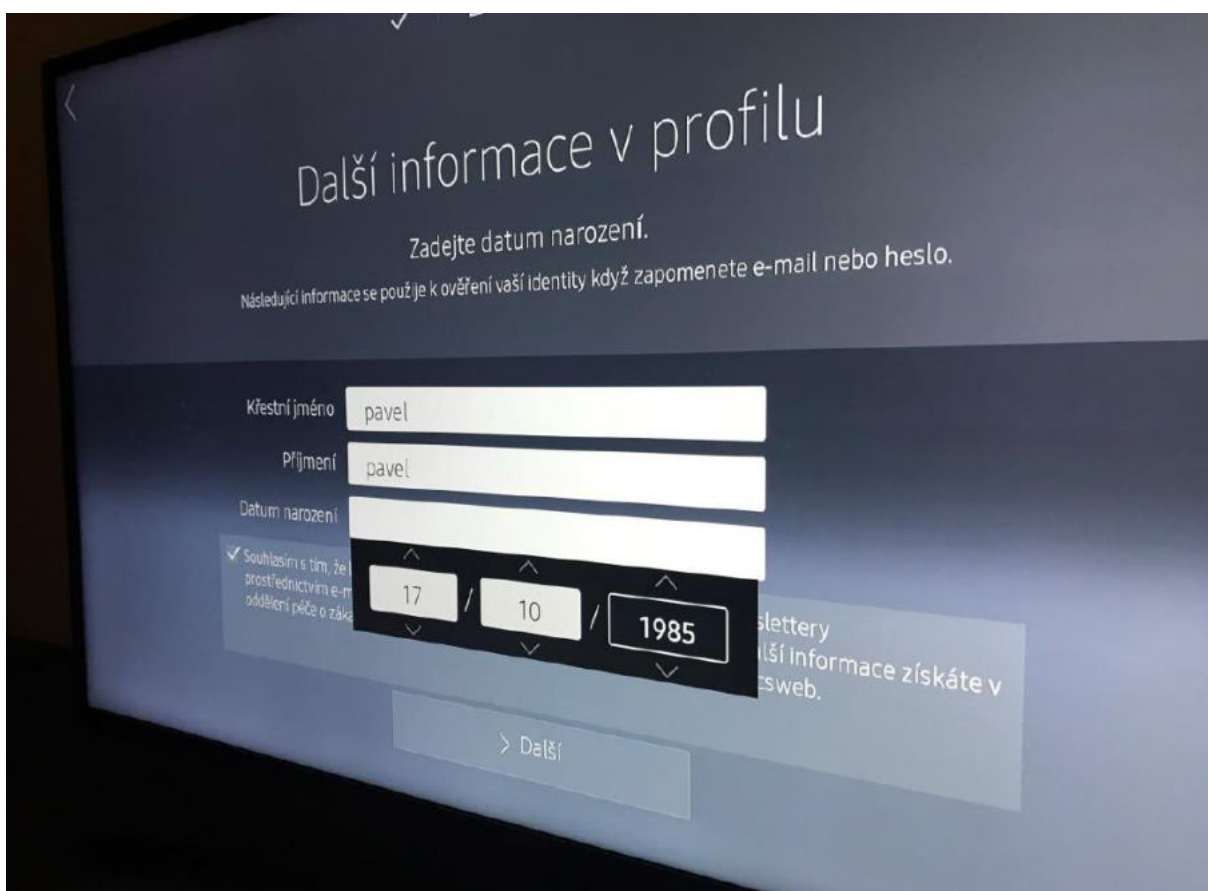

To create a new account, it is necessary to accept the terms of service.

Fill-in your e-mail address as a login ID and choose a password.

After filling all required fields, select a profile picture of your preference to identify your account.

Downloading and activation of the sledovaniv.cz app in your smart TV

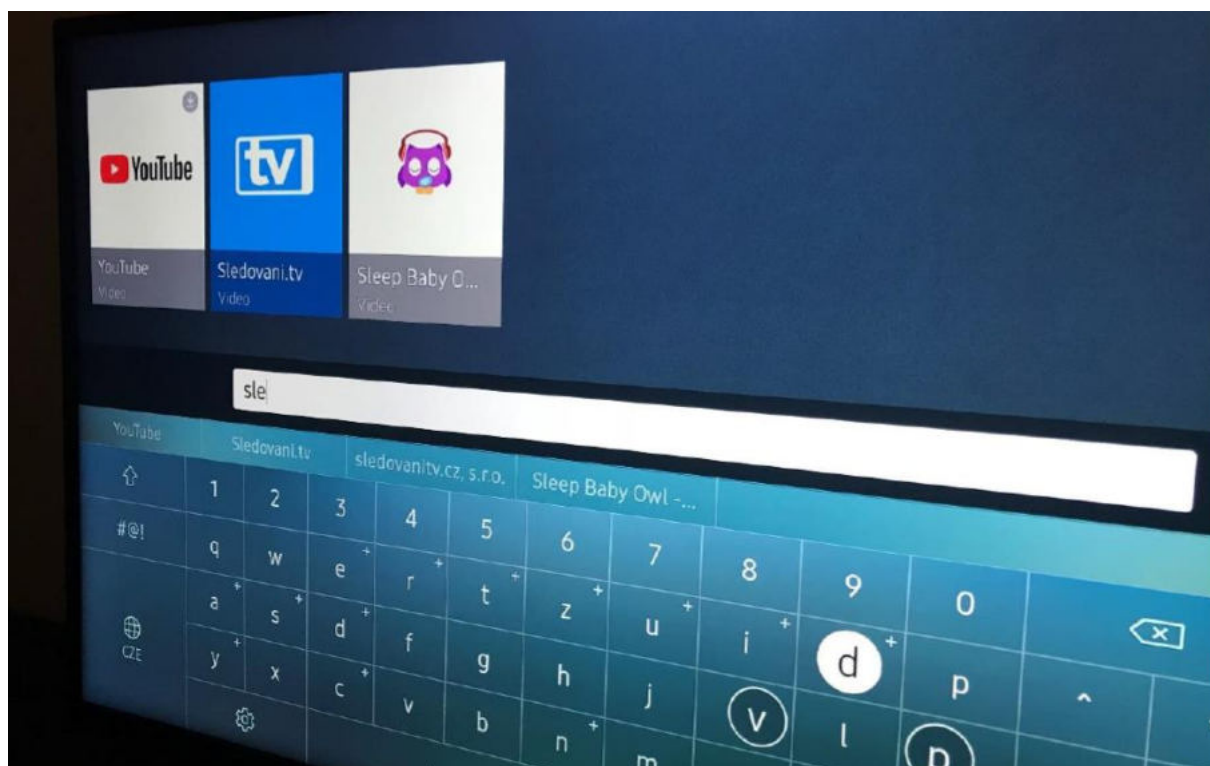

Turn the TV on and use the Up and Down buttons to move to the bottom bar of the applications until you reach APPS.

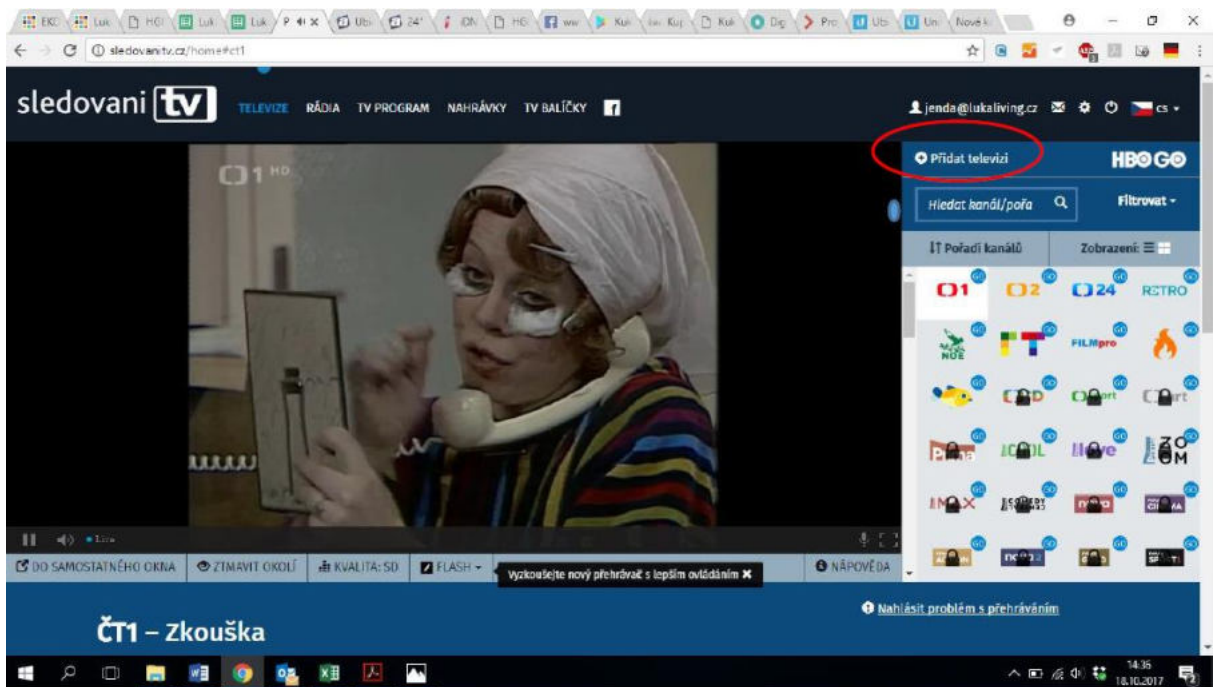

Click on Search – magnifier icon at the top right.

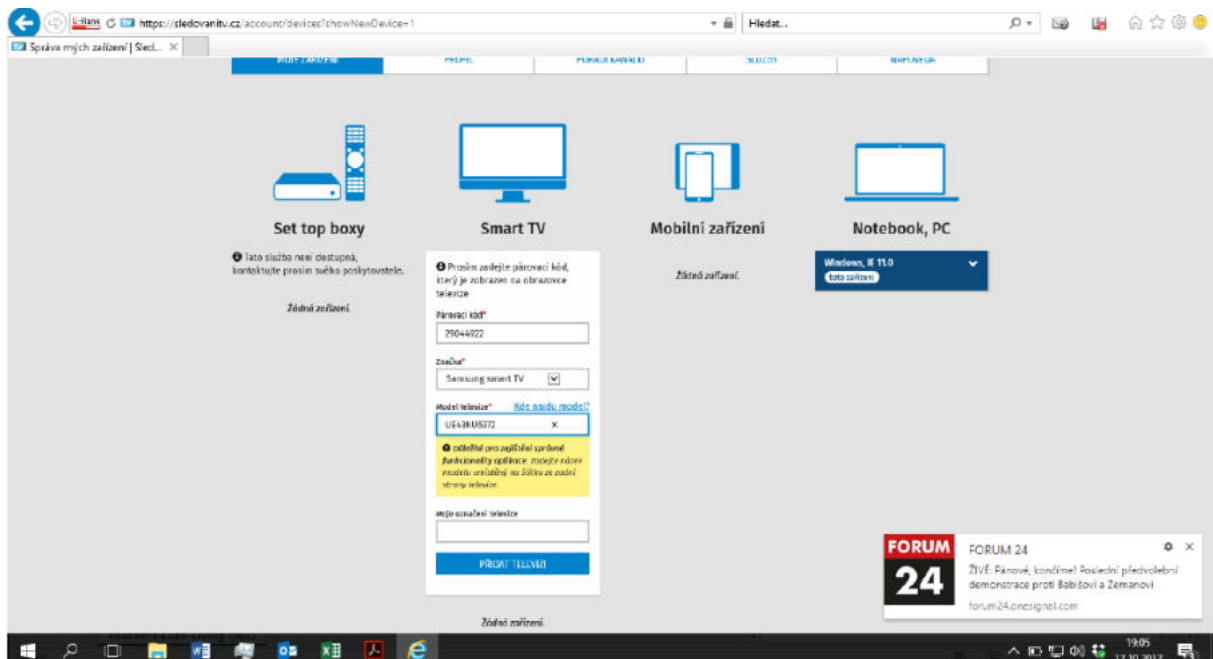

When you type in "sle", you will see the sledovani.tv app, select and download it to your TV. After opening the app, you will find a pairing code that you have to fill in at sledovantv.cz on your computer.

Go to www sledovani tv cz and click on Add TV.

Fill in the form with the pairing code, TV brand - SAMSUNG and the TV model. For a 43-inch TV, fill in UE43KU6372, for a 55-inch TV, fill in UE55KU6072 and click ADD TV.

The TV will automatically turn on. You can switch between individual programs simply using the remote control as you are used to. You can also use reverse playback, recording, etc. The next time you turn on the TV, you need to open the watch app - a blue icon with the word TV.
